## Project Vision

SPREAD2INNO brings together different innovation stakeholders, incubators, accelerators, businesses, research organisations, consultancies and networks. The goal is implementing a replicable programme for the provision of high-quality business services and to enhance collaboration between different entities of well-connected and less connected regional innovation ecosystems, with immediate impacts on the local and EU level

SPREAD2INNO will enhance business activities in less developed innovation regions: Metropolitan Region of Sofia (BG), Lazio Region (IT), and Region of Western Greece

SPREAD2INNO will establish an online platform targeted to both business acceleration, innovation service providers, SMEs and start-ups from all over Europe

## Project Objectives

**ANALYSE** qualitatively and quantitatively the needs of start-ups and SMEs located in different innovation ecosystems with regards to sectoral needs and specific financial and business services

**ASSESS** and improve, collaborating with developed and less developed innovation ecosystems, quality, capacity, competitiveness, comprehensiveness and outreach of business acceleration services

**CREATE** an online cross-border single point of reference for all innovation stakeholders with regards to resources, tools and services tailored for scaling up innovative SMEs and start-ups

**BRING** together regional high-potential start-ups and local stakeholders to give an impulse to improve the innovation systems in the respective regions, fostering inclusion and diversity

**EVALUATE** the sustainability of the SPREAD2INNO methodology and solutions
